A Message From President Hughes

The Toreros 1990 football season promises to be one of the most exciting ever. The team ended the year with an impressive 7-2 record, their best performance to date. But win-loss records are not the standards by which we measure the success of our athletic program. The value of our program rests in its ability to instill in our students those lessons which help shape the whole human being. For you see, our values education doesn't end at the edge of the football field. The terminology may change, the look of the classroom may be different, but the lesson is the same. Our coaches look at each player as a young individual, still learning lessons about honesty, integrity, team-playing, and respect for all human beings.

For these reasons, our football team is always a winner in my book. I hope you will join me in continuing our support for our outstanding football team as it faces a very promising and thrilling year.

TOM IANNAZONE

Director of Athletics

Tom Iannacone begins his third year as the University of San Diego director of athletics. He assumed the position September 1, 1988 after a nationwide search.

The 49-year-old Iannacone has made great strides in his first two years. His accomplishments at USD include an on-going internal reorganization of the athletic department, plus improvements in the major areas of new personnel, additional scholarship assistance, facilities improvements, promotions and marketing, fund raising, drug education and academic support.

Iannacone came to the University of San Diego with an impressive list of credentials and a thorough knowledge of intercollegiate athletics. Prior to USD he was Director of Athletics for four years at St. Francis College in Loretto, Pennsylvania.

Hard work, loyalty and dedication are just some of the words

that easily describe Iannacone. His major contributions at St. Francis included the expansion of sports offerings and scholarships for both men and women, improved budgets, renovation of athletic facilities, the hiring of additional staff, and the establishment of a master plan for the future and continual development of athletics. He served on several ECAC Metro Conference committees, most notably the committee on conference development, which developed a plan for the future and implemented the position for a full-time commissioner.

Prior to his tenure at St. Francis, Iannacone served as assistant athletic director at Fordham University from 1977-84. Along with his administrative duties at Fordham, he was an assistant football coach for the Rams. From 1975-78, he acted as offensive coordinator and backfield coach as Fordham captured 19 victories in their final 24 games during this span. The 1977 squad was and remains the highest scoring team in Fordham history, averaging 34 points per game.

In 1983 Iannacone was presented the prestigious Jack Coffey Award by the Alumni Association for outstanding contributions to Fordham athletics. He has also served on various Metro Atlantic Conference committees.

Prior to Fordham, Iannacone taught physical education and coached track and football in the Ridgefield, Norwalk and New Milford (CT) school districts from 1964-76. He made his collegiate football coaching debut as an offensive backfield coach at Western Connecticut State University in 1974.

A 1964 graduate of the University of Connecticut, Iannacone received his master of science degree in physical education from Southern Connecticut State University in 1973.

Tom and his wife, Cynthia, have three children: Tom Jr. and Jennifer, both students at USD, and Eric, a Poway High School senior.

Head Coach Brian Fogarty

Entering his 8th year, head coach Brian Fogarty, along with his staff, will continue his goal of making USD a nationally recognized Division III football program.

Over the past three years USD football has realized its many goals. Last season the Toreros were 7-2 and were the highest ranked Division III team on the West Coast. Three players were ranked nationally in four categories.

Coach Fogarty's teams have also fared well in the classroom. Since 1986 four Toreros have earned Academic All-American status, and the National Football Foundation and Hall of Fame has recognized a scholar-athlete from USD each year since 1983. Also, since 1983, the USD football program has graduated over 95 percent of its players.

Coach Fogarty enters the 1990 season in search of his fourth straight winning season. With approximately 41 returning lettermen and 14 starters, the immediate future of Torero football looks very bright. Brian's seven year record at USD is 33-33-2.

Before coming to USD, Brian coached at St. Francis High School in La Canada, California where he was head coach for four years and an assistant coach for nine years prior. As head coach his record was 28-18-2 and his teams made the playoffs all four years.

Brian and his wife Vicki have four children, Bridgit, Joe, Colleen and Megan.

UNIVERSITY PROFILE

The University of San Diego is an independent, Catholic university located on a 170-acre mesa overlooking Mission Bay, San Diego Harbor, and the Pacific Ocean. The campus is named Alcala Park after the Spanish university town where St. Didacus (i.e., Diego) spent much of his time.

Complementing its splendid natural setting is the University's location just 10 minutes from downtown San Diego — conveniently close to the major business, cultural, residential, and recreational areas, as well as the rail, bus and air terminals.

Founded in 1949, USD is presently experiencing record attendance. Undergraduate enrollment stands at 3,600, graduate students bring the overall campus enrollment to 5,900.

The University includes a College of Arts and Sciences, and Schools of Business Administration, Education, Nursing, and Law. Each is characterized by high academic standards, small classes, and excellent student-faculty relations.

Though the majority of students come from the West Coast, every region of the United States is well-represented on campus. Students also attend USD from 24 foreign countries.

Recreation and Athletic activities are expanding rapidly and include: sailing, crew, yoga, karate, surfing, modern dance, backpacking, and ballet. USD's intercollegiate sports for men include baseball, football, basketball, cross-country, golf, soccer, crew and tennis.

In women's intercollegiate sports, USD fields programs in basketball, cross-country, crew, softball, swimming, tennis, and volleyball.

1990 TORERO FOOTBALL PROFILE

To develop the consistency needed to be successful every year, players should be part of the program for four years. This process was slow, but has paid great dividends. National and regional rankings over the last three seasons, along with four Academic All-Americans the past four years, are just a few of the bench marks that point to how far this program has come. The team GPA of 2.8 indicates that USD's players are successful in the classroom as well.

The Torero's offense is coming off one of its finest seasons since Coach Fogarty arrived on the scene in 1983. Since switching to the Wing T offense, USD has given opposing defenses many different things to worry about defending. This misdirection offense is perfectly suited for taking advantage of the strengths of San Diego's personnel.

Although USD loses some key performers from the offense, the nucleus of last year's squad remains intact for another season. With six offensive starters returning from last year's 7-2 team, the Toreros are very optimistic for the 1990 season. The offensive line should be a Torero strength as key returners include 4-year senior Ray Smith (All-America candidate at tackle), junior center Gene Fontana, junior tackle Neil Greer and sophomore guard Sean Parks. Leading a versatile group of running backs is 4-year senior Ty Barksdale, along with juniors Charles Taumoepeau and John Eck. Taking the snaps should be 4th year senior Brendan Murphy who threw for 655 yards and 4 TD's a year ago. He will be backed up by sophomore Michael Bennett. Murphy's main targets will include senior TE Mike Hintze, junior TE Brad Leonard, junior WR Zac Fielder, senior WR Chris Redlew and senior TB Ty Barksdale out of the backfield. The Torero coaching staff has every reason to believe that the 1990 offense will be every bit as productive as their predecessors.

The San Diego defense, which returns eight starters from last year's team, has established itself as one of the best in division III football. The secondary and inside linebacking corp return intact, and should provide the defense with the experience and leadership needed to have an outstanding season.

All-America candidate Lenny Territo, a senior inside linebacker, and last year's leading tackler with 81, is back for his final campaign. Also returning at ILB is junior Dan Chandler (45 tackles). Starters from the defensive line that are back include senior Rick Salazar and junior Jim Washam. Among those vying for the outside linebacking spots include juniors Ken Robak and Paul Sellers.

Key returners in the secondary include senior CB Darryl Jackson (62 tackles and 11 pass deflections), senior FS Darby Barrett (58 tackles), junior SS Dave Paladino (50 tackles), senior CB Scott Bradley (32 tackles) and junior DB Greg Frinell.

USD's special teams will be as exciting as ever with the return of two of the country's top performers. Junior Greg Frinell was among the nation's best in both punt and kickoff returns with averages of 13.0 and 32.4 yards per return respectively. All-America candidate Dave Bergmann, a junior out of Seattle, Washington, will try to defend his division III field goal kicking title. He finished first in the nation among division III kickers in 1989, making 14 of 18 attempts. Handling the punting chores will be 4-year senior John Gillis, who averaged 37.1 yards a punt in 1989 and placed 9 of them inside the opponent's 20-yard line.

1990 is the year when the Toreros hope to put it all together and reach their goal of going to the NCAA playoffs. Last season saw them ranked as one of the top six teams in the western region and just missing a berth for post-season play. But to reach this goal, the Toreros first must deal with a very tough schedule that includes two division II opponents as well as the teams that comprise the always tough SCIAC conference. The future looks very bright for USD and 1990 should be a very good year for the Toreros.

Seven years ago, a goal was set by the new football staff to develop a football program that was nationally recognized—and to do so while reflecting the philosophy and values of the university. In order to achieve this goal, it remains important for the university to attract true student athletes. Not only must they be good football players, but good students as well.

The USD football program is part of the NCAA division III, which means they are nonscholarship. The division III philosophy places the emphasis on academics first, with athletics being an integral part of the educational process. This does not make division III football any less competitive or intense. Many great athletes who somehow "didn't measure up to the division I standards," find themselves at division III programs. This makes for an exciting brand of football that is played with the same enthusiasm and fervor that you find at the "major college" programs.

The USD football team has seen a tremendous growth over the last seven years. The quality of its players has risen steadily both academically and athletically. The minimum requirements for incoming students are 3.0 GPA's with a 900 on the SAT, and many of the players on the present squad were highly honored student-athletes at their high schools. This combination of academics and athletics makes USD football an attractive opportunity for the serious student who is looking to get a good education as well as participating on an outstanding football team.

The major recruiting emphasis is on high school seniors. This is a departure from the previous philosophy which depended heavily on transfers.

LIGHT UP TORERO STADIUM

We seek to replace the existing field lighting system and electrical layout of Torero Stadium with a high quality system. Completion of the project will have a positive impact on USD athletics and make sporting events in the stadium much more enjoyable for our fans.

Better lighting will improve the quality of play during night contests as well as provide dramatically better lighting for night practices. It will also eliminate the constant concern for system breakdown during practices and games.

Improving the stadium will also create more pride within our program — which directly affects performance on the field.

What Is A Torero?

A Torero is a Mexican Bullfighter. Prior to 1963, the University of San Diego's nickname was the "Pioneers."

The origin of the university's Torero nickname is unknown, but the founding father of the University of San Diego, Bishop Buddy, was quite fascinated with Mexican history and it is believed that the unique nickname is a result of his influence.
